

LIVING ON CAMPUS

at Black Hills State University

BLACK HILLS
STATE UNIVERSITY

BORDEAUX HALL

BHSU's newest addition, Bordeaux Hall, opened in 2015. Lookout Lounge in Bordeaux connects Thomas and Heidepriem Halls with a two-story great room, residential kitchen for student use, fireplace, snack area, and multimedia study rooms.

HEIDEPRIEM HALL

Heidepriem Hall, or “Heide” as it is commonly known, is the largest co-ed residence hall on the BHSU campus with room for 154 residents. Residents in Heide often spend their time hanging out in the cooking area, TV lounge or playing ping-pong. Living in Heide will also give you easy access to the Disc Golf course, the large campus green, and beautiful scenery.

THOMAS HALL

Thomas Hall, or “T-Hall” as it is commonly referred to, is one of the larger co-ed residence halls with capacity for 152 residents. Thomas Hall is a great place to make any student feel comfortable in the college setting because of the large recreation lounge, study lounge, and TV/movie lounge.

WENONA COOK HALL

Wenona Cook, or “Dub-C” as it is commonly referred to, is BHSU’s oldest residence hall. Wenona Cook is a mostly single room residence hall catered to upper classmen and personifies the historic beauty of our campus. Residents of Wenona Cook enjoy a very close proximity to Lyle Hare Stadium and many other areas on the BHSU Campus.

HUMBERT HALL

Humbert is conveniently located across the street from the Student Union. This residence hall is a close-knit community building, housing 80+ students. Laundry services are provided on the 1st floor and the 2nd floor houses a kitchen combined with a TV/Movie lounge area.

YELLOW JACKET APARTMENTS

The Yellow Jacket Apartments are the perfect option for students over the age of 19 who need a little more privacy but still want to stay connected to the exciting environment of campus living. Every suite is set up to house three students: one in the single bedroom and two in the double bedroom, and is complete with a kitchen, living room and bathroom.

LEARNING WHERE YOU LIVE

Living Learning Communities offer students an innovative way to connect what they're learning in the classroom to their life outside the classroom.

Health Care Professionals

Students with an interest in a science-based major or career in health sciences. Assisting the transition to science at the university level and exploration of future health sciences careers.

Social Advocate

Students seeking a community that values equity, social justice, and cultural and social empowerment for all.

The Honors Community

Students enrolled in the University Honors Program.

Sustainable Living

Students who share an interest in learning about and living more sustainable lifestyle now and in the future.

LEARNING AT THE FOREFRONT OF THE RESIDENTIAL EXPERIENCE.

Black Hills State University Residence Life cultivates an environment where students thrive. Engaging in the residential experience provides students with opportunities to participate in global change, gain self awareness, and develop the ability to express thoughts and ideas from all points.
