

## Student D2L New User

To access Desire2Learn, either type <https://d2l.sdbor.edu/index.asp> in your web browser OR open Black Hills State University homepage ([www.bhsu.edu](http://www.bhsu.edu) <<http://www.bhsu.edu>>) and in the upper right hand corner of the BHSU homepage, click the Desire2Learn link, which will take you to the D2L login page.

The image is a screenshot of a web browser displaying the Black Hills State University homepage. The browser's address bar shows the URL <http://www.bhsu.edu>. A white arrow points from the address bar to the text "Black Hills State University web address". In the top right corner of the webpage, there is a "Desire2Learn" link. A white arrow points from this link to the text "Link to D2L". The webpage features a navigation menu with items like Home, About BHSU, Academics, Admissions, Research, and Athletics. A large banner in the center says "register now for fall 2008" with an image of students. To the right, there are sections for "Explore", "Visit", and "Apply". At the bottom, there is a "Live Chat" button and a "Campus News" section with several news items.

Since you are new to D2L, click the “I’m new to D2L” link under the ‘Login’ box. This will take you to a page where you will set up your D2L password.

**New to Desire2Learn**

Hello, and welcome to Desire2Learn.

You must be currently enrolled in a South Dakota Board of Regents institution course to gain access to the Desire2Learn system. To get into Desire2Learn, you will need to follow these steps:

1. [Find your Desire2Learn Username and your email address.](#)
  - Your username will be the same username as the one in webAdvisor.
  - Your email address is usually your "Primary University Email Address"
  - Click here to find this email address.
  - You MUST have access to this email account to continue. If you do not have access, talk to your Campus Helpdesk.
2. Enter your Desire2Learn Username and Primary University Email Address below and click "Send me a temporary password"
3. Check your Email.
4. When you get an email from "idm@sdbor.edu", click on the link inside there to reset your password.
5. Type in your new password and click "Reset my password"
6. When you've finished, click on the "Desire2Learn" logo to go back into Desire2Learn.

Then click the “Reset my password” link. It will automatically fill in your username and email address for you.

**Reset my password**

You must have access to your email account to complete the Setup/Reset password option. Once you click "Retrieve my password" you will receive an email with a verification link. Click this link to verify your email address and to proceed with the creation of a new password.

Username is the same as your WebAdvisor ID. If you do not know this or your email address, use the links to the left to retrieve this information.

<b>Username:</b>	<input type="text" value="user"/>
<b>Email address:</b>	<input type="text" value="student@st.bhsu.edu"/>
<input type="button" value="Send me a temporary password"/>	

1. Continue to click the “Send me my temporary password” button and it will email a link to your BHSU email address so you can create your new password.
2. Log in to your BHSU email account.

If you need to retrieve your BHSU student email username and password information, you can go to <https://iis.bhsu.edu/studentlogin/index.cfm> and click ‘Accept’ and enter the required information. If you need additional help, contact Network and Computer Services. Once in your email account, open the email titled “Retrieved Password” and click the first link in the email.

The link will take you to the "Reset Password" page where you will enter in your username and create a new password of your choice; confirm your password by re-entering it. Your password must be 6-15 characters and have at least one numeric character and one alpha character.

#### Tips

- It is recommended that you use your WebAdvisor password as your Desire2Learn password.
- Password length restrictions have been temporarily loosened to allow users to use their WebAdvisor Password.
- You will have to log in again after this is completed.

#### Password rules

- Passwords must be at least 6 characters long.
- Passwords can not be more than 15 characters long.
- Passwords must contain a number.

#### Reset my password

Username:	<input type="text" value="user"/>

If D2L accepts your password, click the "Reset my password" button. You will see a confirmation page letting you know your password has been reset. You now have access to D2L.

1. Return to the D2L login page by either accessing it through BHSU's homepage OR clicking the Desire2Learn logo at the bottom of your reset password confirmation page.
2. Use the login name and password you just created to log in to D2L. After logging in, you will be taken to your D2L "My Home" page where you can access personal settings and view your D2L courses.

NOTE: Your courses will not be available until the start date of the class.
