The Financial Aid Committee has been established by the University to review the academic records of students who are no longer eligible to receive both Federal and State Student Aid. To appeal your Financial Aid suspension, complete all information below and return this form, along with documentation of your circumstances, to Student Financial Services (SFS) as soon as possible prior to the beginning of the semester in which you wish to receive Financial Aid. Upon receiving your appeal, SFS will request a current unofficial copy of your transcript. Incomplete information will delay your appeal.

As established by the U.S. Department of Education, your appeal must address at least one of the following issues which occurred during the academic year in which you lost eligibility:
1. personal illness or injury (must provide a written statement from your physician);
2. the death of an immediate family member (provide documents such as obituary);
3. extenuating circumstances that were clearly beyond your control (provide documentation from counselors, or other professionals);
4. If you have maxed on total attempted credit hours, you must provide a written graduation plan. This plan must include the coursework required for you to complete your degree and your expected date of graduation.

The Financial Aid Committee will review both your academic history and the basis for your appeal. You will be informed in writing of its decision.

Submission of this form does not guarantee reinstatement of aid eligibility.
