

Business Administration

Bachelor of Science (B.S.)

The fast-paced business world needs educated and dedicated people who are willing to learn from the best and utilize those lessons. Challenge yourself and begin working toward a Business Administration degree from Black Hills State University. The opportunities are endless with seven areas of specialization.

PREPARE FOR YOUR FUTURE:

At BHSU, you will learn to think critically; analyze and solve business problems effectively both independently and in a team setting; appreciate diversity; and strategically anticipate and adapt to change. Select from the following areas of study for your degree in Business Administration, all built on a strong foundation of liberal arts and sciences:

Accounting	Entrepreneurial Studies
Management	Human Resource Management
Tourism & Hospitality Management	Marketing
Economics & Finance	

LEARN FROM THE BEST:

BHSU business professors are actively engaged in research and business ventures which keeps them on the cutting edge and enables them to infuse their lectures with real life examples. The class sizes are kept small in order for you to get the individual attention and mentoring you need. As a result, BHSU business students scored higher than the national average across eight business disciplines on recent national exit exams. BHSU will lead you to reach your highest potential.

ENJOY THE EXPERIENCE:

BHSU offers nearly 70 clubs and organizations in which you can get involved and achieve leadership positions, including SIFE (Students in Free Enterprise). Professional experience and community service play an important part in your education. The College of Business and Technology works closely with the Career Center to place students into exciting internship opportunities - build your resume while working toward your degree.

How about it? Are you ready for a career that can take you places?
