BHSU Teal Ribbon Day: April 11th

The teal ribbon symbolizes sexual violence prevention. The sexual assault statistics in the United States are startling. Every 98 seconds, a person in the U.S. is sexually assaulted with over half of those assaults going unreported to law enforcement. About 44% of victims are under the age of 18, many of whom know their attacker. It's estimated that 1 in 6 women and 1 in 33 men in America will have experienced an attempted or completed rape in their lifetime. Supporters of sexual assault awareness seek to educate people about the resources available to them if an assault occurs as well as information on how to reduce the risk of an attack.

Free teal ribbon stickers available Wednesday at The Hive, Einstein's, the Student Union and Young Center Info Desks. Show your support...wear your teal ribbon with pride.

IDEA surveys

IDEA surveys have opened for your courses. Instructors should already have received an email with information on completing Objective Selection Forms for each course section being surveyed. Please do

carve out time during your face-to-face courses for students to fill out the surveys as this will greatly impact the response rate. Reports on students' responses will be sent out after final grades have been submitted for the semester.

All IDEA surveys will close April 27th. The link students will use for filling out their surveys is <https://sdbor.campuslabs.com/courseeval/>, which they have already received via email.

Congratulations to Sarah Rathert for winning the South Dakota Bandmasters Instrumental Music Scholarship

Sarah Rathert, a Junior music education student here at BHSU was one of two recipients of the South Dakota Bandmasters Instrumental Music Scholarship for next school year. She was chosen from applicants at all South Dakota Colleges and Universities with the desire to become a band director in our state. She was required to submit a performance video, an essay, application form, and band director recommendation. To our knowledge, as there is not an archived history of recipients, this is the first time a BHSU instrumental music student has earned this \$500 award.
