Mail Service Notice - Unit Numbers

A proper 'Unit Number' address is important with people you correspond with so we can minimize the chance of your mail getting lost. Several years ago BHSU did a major Departmental and Office restructure. As a result many Faculty & Staff unit numbers changed. This also applies to students who change dorm or apartment rooms. Please insure that your University based correspondents know the correct 'Unit Number' you want the mail

to go to. Thank you for your support in this matter.

Student Food Pantry Donations Needed

Friends, we are in need of donations for the BHSU Student Pantry so that it can remain open during the summer. Would you consider donating food (canned food, boxed dinners, granola bars, etc.), personal care items (deodorant, shampoo, toothpaste), and household care items (laundry soap, etc.) for our students in need? Donations can be dropped off at the pantry itself, located inside the ROTC entrance at Humbert Hall, or at my office in Meier 311, Janette Hettick's office in Jonas 108, or at the Honors Center in Woodburn 117. If you have any questions, please contact me at Courtney.HuseWika@BHSU.edu.

BHSU Student Pantry

Please encourage any students in need to visit our BHSU Student Pantry. Located at the ROTC entrance to Humbert Hall, the pantry stocks food and personal care/household items. It is open M-F, 8:00 a.m. to 5:00 p.m., excluding holidays. Please contact Courtney.HuseWika@BHSU.edu for more information. Pantry donations can be dropped off at Janette Hettick's office in Jonas 108.

Don't lose your work!

Be proactive—save your essays, presentations, and spreadsheets in your OneDrive before you risk losing them! Computers crash. Hard drives fail. Flash drives are lost! To avoid this situation, remember that each student, faculty, and staff has one terabyte of online storage - 256 times more space than a 4GB flash drive.

Severe Weather Awareness Week

April 24-28, 2017 has been designated Severe Weather Awareness Week in South Dakota. With the approach of warmer weather, it is important to remind BHSU Faculty, Staff and Students to take a moment to review our emergency procedures for severe weather.

In the event of developing weather conditions that could potentially spawn severe weather, the National Weather Service will issue either a Severe Thunderstorm Watch or a Tornado Watch. A Watch means that atmospheric conditions exist for severe weather to develop.

If the National Weather Service upgrades a Watch to a Warning, it means that severe storm conditions exist and that you should take shelter immediately.

Severe weather advisories will be broadcast on local radio and television stations. If you hear that a Severe Weather Watch has been issued for your general area, you should stay alert to weather conditions and be ready to seek shelter. If a Tornado Warning is issued civil defense sirens will be sounded in a non-broken continuous tone that will last up to 3-minutes in duration.

At the sounding of a Severe Weather Warning, take cover in a basement or interior room of your home. If you live in a mobile home, leave at once and seek another shelter. If you are located in a public building go to a lower interior area of the building. Use stairways and avoid the use of elevators. If you are outdoors, seek shelter in a ditch or low area on the ground. Avoid positioning yourself near trees, power lines and telephone poles. If you are in a motor vehicle do not attempt to outrun the tornado, stop, exit the vehicle immediately and seek shelter away from your vehicle. **For campus emergency shelter locations, see the information below.**

Tornadoes are rare in this area but can and do happen here. We all need to be alert to the weather conditions, act quickly when a tornado is detected, and remain calm. You and your family should know in advance what to do if the civil defense warnings are issued.

State-wide Tornado Drills will be conducted on Wednesday April 26, 2017 sometime between 9 a.m. & 9:30 a.m.

Campus Emergency Shelter locations:

Meier Hall - 1st floor away from the doors and any windows.

Woodburn Hall - 1st floor away from the doors or the Library 1st floor.

Library - basement.

Wenona Cook - 1st floor south side corridor, interior doors closed.

Facilities Services - Lower level of building, near an interior wall.

Jonas - basement.

Student Union - 1st floor corridor, or the Jonas basement.

Young Center - Administration Office Area, athletic shower rooms 1st floor, corridor between the shower area and gym.

Crow Peak, Heidepriem & Thomas Residence Halls - 1st floors, interior doors closed.

Humbert Residence Hall - 1st floor south, interior doors closed.

Apartments - first floor bathroom tub with mattress over the top of you or the Young Center.

Life Sciences Laboratory - Loading dock area northwest corner of the building.

Joy Center - basement.

Events

Dual Credit Nacho Night

Parents and guardians of high schoolers, and their students, are invited to attend Dual Credit Nacho Night Thursday, April 27th from 6:00pm - 7:00pm in the Jacket Legacy Room. This information session is a great time to gather information on the program, ask questions, and learn more about Dual Credit opportunities.

Students wishing to attend can register at BHSU.edu/DualCreditNight

Photography Studio Open House

BHSU now has the finest photo facilities in the state thanks to a recent renovation. The University invites the public to view the space during a Photography Studio Open House to be held in conjunction with the annual BHSU Art Studio Tour on campus Thursday, April 27. Located in a newly-renovated basement space of the E.Y. Berry Library-Learning Center, the new Photo Studio at BHSU has three separate bays complete with iMac computers and rail systems for lighting. Visitors are welcome to visit the space during the Photography Studio Open House Thursday, April 27 from 4 to 7 p.m. Photography professors and students will give tours of the space and refreshments will be provided.

Geek Speak: Madness in Popular Culture: The “Insanity” of Women

By Dr. Laura Colmenero-Chilberg:

Throughout history women have been diagnosed, treated, committed to institutions (or burned at the stake) for symptoms of what their society identified as insanity. From the wild bacchanalia of the Maenads in Ancient Greece, to the delicate insanity of Ophelia, to the mad heroines of classic Victorian literature, to contemporary images found in television series like Penny Dreadful and movies like Kill Bill, women suffering from mental instability has been a favorite topic of popular culture. Why? Is there really a tie between gender and insanity, a “female malady,” or is there something else going on? The social construct of women as “deviant” has a long history. It can be seen in the world’s major religions and spiritual traditions, which often view women as “uncontrollable.” In the last two centuries in particular, we have seen a very strong connection between the concept of femininity and the cultural construction of madness. In this course we will focus on the historical and cultural factors and behaviors that have been associated with madness in women as it is reflected in popular culture. By examining the representations of insanity in popular culture, we can examine changing ideas about gender, social class and family structures, and the effect these factors have on what we consider to be “sane.”

All lectures are held in Jonas 110 at 4:00 p.m. on Thursdays and are free and open to the public.

Open Mic Night

Please join us for Open Mic Night this Thursday, April 27th from 5:30-7 pm in the Jacket Zone - downtown Spearfish. We are looking for performers & audience members!! Contact us at 717-5801 to register. Walk-ins will be taken if time allows. Great music & refreshments will be served!!

--Submitted by Donnelle Culver on 2017-04-25

Garden Planting Day

Join us for our Garden Planting Day on May 1st from 3-7 p.m. at the Campus Garden. This is a great opportunity to get your hands dirty, gain some gardening experience, and enjoy a share in freshly grown produce. No previous experience or green thumbs required!

The cost for participation in the garden is \$10 for BHSU students, \$15 for community members, and 15 hours of volunteer work over the course of the growing season. If you are unable to attend Garden Planting Day, you can still participate in the garden..
