Student Food Pantry

Please encourage any students in need to visit our BHSU Student Pantry. Located at the ROTC entrance to Humbert Hall, the pantry stocks food and personal care/household items. It is open M-F, 8:00 a.m.-5:00 p.m., excluding holidays. With the evening and early morning temperatures frequently dropping, it is especially important for students to take advantage of the service. The Honors Club also has limited funds for winter coats and gear for students in need. Please contact Katelyn.Woten@YellowJackets.BHSU.edu for more information. Pantry donations can be dropped off at Janette Hettick's office in Jonas 108.

Events

CPR / AED Training

In an effort to support BHSU's focus on overall wellness, a training session has been scheduled for BHSU faculty and staff to receive CPR/AED training. We have placed additional AED machines across the campus and want to make sure people are comfortable using them. The sessions will be provided by the Spearfish Ambulance at their facility (715 E. Colorado Blvd). The classes are scheduled for October 18 from 9:00 - 12:00, and October 19 from 1:00 - 4:00.

The session typically takes 2 ½ hours. The cost of the training is \$25. per person and should be covered by your departmental budgets. There is a limit of 20 people per session. Please let me know if you plan to attend one of the October sessions by October 15th. You do not need to submit a requisition for this training but we do need to have you include your FOAP with your request as the Business Office will complete the payment for the training.

I hope you can take advantage of this opportunity. Please let me know if you have any questions.

Civic Engagement Forum - TONIGHT

Black Hills State University is launching a civic engagement initiative and we need partners (like you) for the initiative to succeed. As a first step we are convening a Civic Engagement Advisory Council on Thursday October 12 that will meet on campus in the Club Buzz area of the Student Union at 6:00PM. We hope that you will attend; refreshments will be provided.

The purpose of this meeting is to provide an open forum to generate ideas on how we can cultivate more civic engagement among students, faculty, staff, administrators, and the community-at-large.

We look forward discussing civic engagement with you on October 12 at 6pm in Club Buzz. Please contact either John Van Benthuysen or Pam Carriveau if you have any questions.

Furball Fundraiser

Do You Love Kittens?

The Furball (a masquerade/costume ball fundraiser) is in need of silent auction donations. This fundraiser will take place on Friday, October 20, from 6-9 pm at the Spearfish Holiday Inn and Convention Center; all proceeds will benefit the West River Spay/Neuter Coalition, which provides emergency medical services (plus vaccinations and spay/neutering) to feral kittens and cats in the hills. They also provide low-cost spay/neuter clinics for local pet owners. Last year, the event raised over \$3200, due mostly to the amazing donations from students, faculty, and staff. Diverse donations are welcome: art work, services, gift cards and baskets, home items, food and coffee/wine/beer baskets, and so on. If you can help us provide support for this important nonprofit organization, please contact Katelyn.Woten@YellowJackets.BHSU.edu or Courtney.HuseWika@BHSU.edu. And please consider joining us on October 20! Tickets are \$5 for students and \$10 for community members.
