## **Events**

### **Furball Fundraiser**

Do You Love Kittens?

The Furball (a masquerade/costume ball fundraiser) is in need of silent auction donations. This fundraiser will take place on Friday, October 20, from 6-9 pm at the Spearfish Holiday Inn and Convention Center; all proceeds will benefit the West River Spay/Neuter Coalition, which provides emergency medical services (plus vaccinations and spay/neutering) to feral kittens and cats in the hills. They also provide low-cost spay/neuter clinics for local pet owners. Last year, the event raised over \$3200, due mostly to the amazing donations from students, faculty, and staff. Diverse donations are welcome: art work, services, gift cards and baskets, home items, food and coffee/wine/beer baskets, and so on. If you can help us provide support for this important nonprofit organization, please contact [Katelyn.Woten@YellowJackets.BHSU.edu](mailto:Katelyn.Woten@YellowJackets.BHSU.edu) or [Courtney.HuseWika@BHSU.edu](mailto:Courtney.HuseWika@BHSU.edu). And please consider joining us on October 20! Tickets are \$5 for students and \$10 for community members.

### **Geek Speak: "The Meaning of Everything"**

Join us Thursday October 5 at 4 pm in Jonas 110 as Professor Andrey Reznikov presents: The Meaning of Everything: The Making of the Oxford English Dictionary  
This year celebrates 160th anniversary of the beginning of what would become OED: a unique undertaking in the field of lexicography. The members of the Philological Society who first discussed the idea of a New English Dictionary in 1857 probably did not realize what they were getting themselves into. They believed the dictionary will be in 4 volumes and about 6,400 pages, and it will be ready in 10 years. They were wrong in all three estimates: the dictionary was ready in 70 years, it was in 10 volumes and had 15,490 pages. About 2,000 people contributed 5 million quotations to the editorial board; one of the most prolific contributors was American physician, Civil War veteran, Dr. W.C.

Minor who was sending his examples of quotations from a ward in a prison asylum.  
All lectures are held in Jonas 110 at 4:00 p.m. on Thursdays and are free and open to the public.

### **CPR / AED Training**

In an effort to support BHSU's focus on overall wellness, a training session has been scheduled for BHSU faculty and staff to receive CPR/AED training. We have placed additional AED machines across the campus and want to make sure people are comfortable using them. The sessions will be provided by the Spearfish Ambulance at their facility (715 E. Colorado Blvd). The classes are scheduled for October 18 from 9:00 - 12:00, and October 19 from 1:00 - 4:00.

Please let me know if you plan to attend one of the October sessions by October 15th. You do not need to submit a requisition for this training but we do need to have you include your FOAP with your request as the Business Office will complete the payment for the training.
