### **Crow Peak Hall is now Bordeaux Hall**

I would like to take a moment to (re)introduce you to Bordeaux Hall!!

In June the South Dakota Board of Regents voted to rename Crow Peak Hall after one of BHSU's distinguished alumni, Lionel Bordeaux.

Lionel Bordeaux graduated from BHSU in 1964 and has served as the President of Sinte Gleska University for 40 years. The renaming of Crow Peak Hall to Bordeaux Hall is a great honor for Mr. Bordeaux and Black Hills State University as we recognize his commitment and contribution to higher education in South Dakota. There will be a naming ceremony honoring Bordeaux this fall.

### **Addressing On-Campus Mail**

If you are sending On-Campus mail you must include a proper Unit Number with the name of the person you are addressing it to.

Please do not send on-campus mail without a proper Unit Number. Mail services sort's mail by Unit Numbers. A proper 'Unit Number' on the address is important with people you correspond with so we can minimize the chance of your mail getting lost. Several years ago BHSU did a major Departmental and Office restructure. As a result many Faculty & Staff unit numbers changed. Please insure your University based correspondents know the correct 'Unit Number' you want the mail to go to. Thank you for your support in this matter.

### **Cultural Ambassadors**

Greetings! This fall we are looking for BHSU students to take part in Cultural Ambassadors. Cultural Ambassadors allows you to connect with international students

from around the world. Once you fill out the application, we will pair you with an international student that has similar interests. We ask that you meet with them once a week and plan activities throughout the semester. Last semester, we had ambassadors take students to Rapid City, horseback riding, snowshoeing, and much more! If interested, please send an email to [international@bhsu.edu](mailto:international@bhsu.edu) or stop by the Office of International Relations & Global Engagement in Woodburn, room 115. We look forward to seeing you!

### **Green & Gold Week Paddling Fun**

Meet at Union Fireplace; vans to Iron Creek Lake

Event Start Time: 3:30 p.m.

Event End Time: 6:00 p.m.

The Collegiate Outdoor Leadership Program is sponsoring a fun paddle for the first week of school. Grab someone from your hallway and go work on your tan! Here's how it will go: We meet in the Union Atrium (fireplace area). The first 25 folks to sign a waiver get to go (because we only have 10 canoes & 5 kayaks & 1 SUP). We load up the vans. At the lake, there's a briefing (safety, LNT, quick-skills tips) then it's open to paddle. And tan. A van returns at 4:30, 5:00, and 5:30. BRING a water in a reusable water bottle (sustainability people), shoes that can get wet, maybe a towel because sometimes these things flip.

### **Gina Gibson, Remains Exhibition at Ruddell Gallery**

The Ruddell Gallery is pleased to announce the opening of Gina Gibson's exhibition

entitled Remains. Remains is an exhibition based on found and received materials. Gibson's recent works includes assemblages of bones, stones and other items gathered out of curiosity and admiration. Although the shapes, textures and visual aspects are engaging, these items have meaning beyond their aesthetic qualities. These seemingly random objects come together in an inexplicable harmony, creating a coherent composite image, while usually being quite meaningless individually. Join the Fine Arts Department on September 14, from 5:30-7:00pm, for a reception highlighting this pivotal work by one of its tenured faculty members.

Exhibition:

August 21 - September 29

Reception:

Thursday, September 14th

Geek Speak begins at 4pm, Jonas 110

Reception in the Ruddell to Follow 5:30-7:00pm
