Public Safety - Campus Events

A reminder during campus events such as football games that Public Safety is on duty and available. If you should need assistance for a medical situation or a safety concern, please call 605-641-6988 for the on-duty officer.

With the hot weather we experienced this past weekend and anticipated warm weather for Swarm Days football, please remember to dress appropriately for the conditions and to remain hydrated to avoid over-heating.

Student Food Pantry

Are you in need of food or personal/household care items? Visit the BHSU Pantry Located at the ROTC entrance of Humbert Hall, the pantry is open M-F, 8:00 a.m. to 5:00 p.m., excluding holidays. There are various food options, as well as household and personal care items. Please take what you need. If something you need isn't available, or if you have questions, send a quick note to [Dr. Courtney.HuseWika@BHSU.edu](mailto:Dr.Courtney.HuseWika@BHSU.edu)

NCUR 2018

NCUR 32 Abstract Guidelines:

Deadline for submission to University Research Council by submitting it via the following BHSU link <http://www.bhsu.edu/Research/NCUR/Application.aspx> is November 10th and the students/mentor will be notified by November 27th.

After the abstracts has been reviewed by URC and possibly a panel after which the students/mentor will be notified. After the notification, then submit the abstract via the link on NCUR 2018 homepage from November 27th- December 5, 2017

All approved abstracts must be submitted online through the link on the NCUR 2018 homepage. The link will be open October 3rd through December 5th . All primary submitters will need to create a new account. Note to students who have submitted to NCUR in previous years: A new NCUR account must be created each year. Information does not carry over from year to year.

Notification of acceptance of the abstract by NCUR will begin around January 23, 2018, and continue through middle of February, 2018.

Should your abstract be accepted, you may register for the conference using the same login information. Early registration opens on January 23, 2018 through February 22, 2018.

Abstracts should:

1. Clearly state the central research question and/or purpose of the project.
2. Provide brief, relevant scholarly or research context (no actual citations required) that demonstrate its attempt to make a unique contribution to the area of inquiry.

3. Provide a brief description of the research methodology.
4. State conclusions or expected results and the context in which they will be discussed.
5. Include text only (no images or graphics)
6. Be well-written and well-organized.

Other formatting guidelines:

1. References are allowed within abstracts, but not required.
2. The form will not process all formatting and special characters (e.g., scientific symbols). Use plain text format for your abstract. There is space in the form to include a link to online documentation, formulas, images, music files, etc. in support of your submission. You may use this space to provide a link to a location to view your abstract in its original form.
3. Abstracts are usually 200-300 words long with no paragraph breaks. **MAXIMUM LENGTH = 300 WORDS!**

Have the following information available when submitting your abstract:

1. Name and e-mail address for each faculty mentor and co-author
2. Undergraduate Research Office Coordinator (UROC) name, e-mail address, and phone number. If you do not have an UROC then provide the information for whomever is the point of contact at your institution
3. Presentation type: oral, poster, visual arts, or performing arts
4. Field of study (See below for the complete list.)

Two abstracts per primary author are permitted. There is no limit on the number of abstracts submitted per co-author.

All abstracts will undergo a rigorous evaluation by a panel of faculty reviewers. Abstract reviewers will evaluate submissions based on the criteria listed above and will assess overall merit within the context of the specific academic discipline.

Note: The title and author(s) of your abstract will appear EXACTLY as they are entered in the abstract submission form. Please double check punctuation and spelling before submitting.

Contact your mentor or your institution's Writing Center about how to write a competitive abstract

Please fill out the Undergraduate Research Office Coordinator Information in the Abstract Submission form as follows:

News Releases

[Geek Speak lecture unveils power of algorithms that rule - and possibly ruin - lives](#)

A simple Google search may never feel the same after attending Dr. Colin Garnett's Geek Speak lecture, "Weapons of Math Destruction" Thursday, Sept. 7 at 4 p.m. in Jonas Hall 110 at Black Hills State University. Garnett, assistant professor of mathematics at BHSU, will discuss how algorithms, sets of instructions or rules to complete a task or solve a problem, impact our lives - sometimes nefariously.

[Joe Jorgensen named BHSU Swarm Day Parade Marshall](#)

The city of Spearfish would look much different if not for the real estate leadership of Black Hills State University alum Joe Jorgensen. Jorgensen was recently named the 2017 Swarm Day Parade Marshal. Jorgensen will lead the annual homecoming parade through Spearfish Saturday, Sept. 9 beginning at 10 a.m. at the Donald E. Young Center Parking Lot and will proceed down St. Joe Street, Jackson Blvd. and then Main Street.

[Physical science and chemistry major completes nuclear physics research experience in Louisiana](#)

In the summer of 2016, Black Hills State University student Rachel Williams built a cosmic ray detector in Italy. This summer, Rachel, a physical science and chemistry major, resided stateside where she dove deeper into nuclear physics through a partnership with Louisiana State University.
