Viewing Your Grades

- This tutorial will explain how to view your grades in a selected course.
- To begin, select a course using the drop down menu within the navigation bar or the My Courses widget, within the My Home page.
- Once you have been directed to the Course Home page, click the Assessments drop down menu.
- Select the Grades hyperlink.
- You will then be brought to the Grades page.
- Here you will see:
  - Grade Items, which displays the assignments, quizzes, or tests within the course;
  - Points, which displays the points available and earned;
  - And the overall grade for the Grade item.
- In the top right corner there is a hyperlink that will allow you to print this page.
