BHSU/ Kenadi Jean Basketball Night

On Saturday, Feb. 6 the BHSU Foundation is teaming up with the KJWF to host a Kenadi Jean Basketball Night at the Young Center. Kenadi loved playing basketball and was the proud recipient of several pieces of Future Yellow Jacket gear. Although faced with global delays from an anoxic birth injury she displayed great bravery, determination and a fighting spirit.

It will be a fun night with half-time entertainment, a Frisbee free-throw competition with a chance to win a two-night stay at a Hills retreat. All proceeds from the BHSU T-shirt quilt raffle, 50/50 ticket sales and Silent Auction are going to fund the BHSU Kenadi Jean Weis Memorial Scholarship awarded annually to a graduating senior majoring in the Special Education Program. Let's pack the house and cheer the Jackets on to a home court victory!

The Yellow Jackets face the Fort Lewis College Skyhawks with the women's team taking the floor at 4 p.m. and the men's team playing at 6 p.m. Those attending are encouraged to wear hot pink in support of the KJWF.

American Film Noir Series

BHSU continues The Big Read celebration of Dashiell Hammett's *The Maltese Falcon* by hosting their American film noir series, Feb. 4, 11, and 25, Thursdays at 6:30 p.m. each evening. The film series is free and open to the public. They will be held at BHSU in the Jonas 305.

The films are classics from the 1940s and 50s film noir movement. The movies scheduled are:

- Feb. 4, "D.O.A." (1950)
- Feb. 11, "Kansas City Confidential" (1952)
- Feb. 25, "The Stranger" (1946)

The Big Read in Spearfish is presented in partnership with The Matthews, Grace Balloch Memorial Library, Black Hills State University, Spearfish Zonta Club, South Dakota Arts Council, and Spearfish Foundation of Public Education. "The film noir movement of the 1940s & 50s has had a huge influence on modern art. We are excited to share this piece of history with the people of our community and we are grateful to Black Hills State for helping make this event possible. The Big Read in Spearfish is really a "big" collaboration and we are pleased to be working with so many outstanding groups." says Ava Sauter, Community Outreach Manager for The Matthews Opera House and Arts Center. A program of the National Endowment for the Arts, The Big Read broadens our understanding of our world, our communities, and ourselves through the joy of sharing a good book. Managed by Arts Midwest, this initiative offers grants to support innovative community reading programs designed around a single book.

Spearfish is one of 75 communities nationwide participating in The Big Read from September 2015-June 2016. From Jan. 2016-Mar. 2016, our community will celebrate Dashiell Hammett's *The Maltese Falcon* with a full calendar of events. View [a full calendar of events](#) for The Big Read in Spearfish.

Geek Speak: Raising Hell**Jan. 28 | 4pm | Jonas 104**

Join us Thursday for Dr. Adam Gaffey's Geek Speak, "Public Speaking: Raising Hell." This Geek Speak proposes a historical and analytical overview on agitators who have taken oratory as a form of public protest. Some speak of prophecy and others speak for open rebellion, but all speak as a form of empowerment. This talk will focus particularly on two speakers who were members of historically marginalized groups, including Harvey Milk [first openly gay elected official] and Angelina Grimke [daughter of slave-owning family who became perhaps the most famous abolitionist speaker for a brief time in the early 1800s]. Students will leave this Geek Speak with a clearer sense of how historical misfits have nevertheless sought to alter public attitudes, often at great personal risk.

These lectures are free and open to the public.
