

Your Host BHSU

Welcome to Black Hills State University! We are located in the beautiful Northern Black Hills. Spearfish is only 17 miles northwest of Sturgis on Interstate 90.

Once again, BHSU is offering on-campus housing to the public during the Sturgis Rally. If you stay with us, you will be housed in a room in one of our residence halls. Room capacity is limited to 2 people and anyone under the age of 18 must be accompanied by an adult aged 21 or older.

Heidipriem and Thomas Halls have non-air-conditioned rooms, we provide a fan in every room and lobbies and common areas are air-conditioned. Community bathrooms (with sinks and private toilet and shower areas) are down the hall and designated by gender. Bordeaux Hall is air-conditioned and the rooms are built suite-style with two bedrooms sharing a bathroom between them. Elevator service to all three halls is provided through Bordeaux Hall.

All rooms are furnished with two extra-long twin beds, dressers, desks, chairs, and a sink. Room size is approximately 12'x14'. Linen (bedding and towels) are included with your room. Ample parking for your bike, trailer, and vehicle is available just outside your residence hall.

The residence halls are staffed 24-hours a day. You can check in (or out) at any time of the day or night. We'll keep the lights on! Our campus also has night security staff patrol.

Refund Policy

If your plans change once you have paid, we will issue a full refund if we receive written notice by July 15. Otherwise, we keep all your money regardless of circumstances. No exceptions.

BHSU may cancel this agreement if unable to fulfill it due to acts of God or circumstances beyond our control. All reasonable efforts will be made to meet the requirements of the agreement.

My Neighbors?

As you know, the Rally attracts a wide variety of people. While personalities vary, a common value is shared, have fun and respect others. We like this concept very much because we have a small, happy, and peaceful campus here. And, yes we like to keep it this way.

Based on past years' experience, we've noticed a few things about Rally participants who stay with us - they love to have fun, but they also love to have a peaceful, dry, comfortable place to stay. Imagine, all that and hot showers too! Our guests also tell us they don't mind that we have a "dry" campus. Yes, alcohol is not permitted on campus, including the residence halls and parking lots. Please enjoy the spirited beverages off-campus. There are several bars and restaurants within walking distance.

Reminders: No pets allowed. All campus facilities are non-smoking. Reservations are non-transferable.

Why So Cheap?

In exchange for a reasonably priced room, we ask you to keep your expectations of us reasonable. You'll receive warm hospitality and a comfortable place to stay, but "it ain't the Ritz!"

In case you wondered, most of the proceeds go directly to physical improvements of the residence halls. Our resident college students benefit from your dollars.

Special Needs?

If anyone in your party needs special accommodations because of a disability, make sure you list that on the "Room Preference" line of the reservation form (other side of this brochure). We have a few ADA-accessible rooms on the first floors of our buildings and rent them by request (until filled). If you let us know about your needs, we'll do our best to accommodate them!
