#### INTRODUCTION

The Internship Program at Black Hills State University presents an opportunity for a student to obtain university credit hours by obtaining short-term employment in a position that relates to the student's chosen field of study.

Hands-on work experience integrates the student's classroom conceptual learning with practical employment. Throughout the internship, these work experiences complement and reinforce the student's theoretical knowledge acquired from textbooks and lectures. The internship is designed to provide not only practical experience but also a detailed evaluation of the intern's performance. This detailed evaluation provides timely feedback that will improve and enhance the student's employability as well as provide direction and planning regarding the student's career choice.

# **Student Eligibility**

\*NOTE: No more than 16 internship credits may be counted toward a major or a degree.

Please note that BADM 294 is available to students majoring in business only. The 494-level internship is available to students across a variety of disciplines. Please check the BHSU catalog for specific information and requirements related to specific programs of study.

- Students must have completed at least 45 credit hours within their program of study that includes at least 12 hours of business courses.

- Students must have completed a minimum of 64 credit hours (be in junior standing).
- Students must have earned at least a 2.00 grade point average (4.0 scale) prior to entering the internship program.

# **Employer Eligibility**

The School of Business Internship Coordinator must approve an employer as an internship supervisor. The following qualifications must be met:

- The employer will prepare a job description for the position.
- The employer has a desire to participate in an internship program in order to improve preparation of personnel for the field.
- The organization employs capable staff qualified through both education and experience to supervise student interns.
- If the position is paid, then compensation in accordance with state and federal employment guidelines is provided.
- Liability and workman's compensation coverage for the student should be discussed by the BHSU Internship Coordinator and the employer for both paid and volunteer internships.

# **Determination of Credit Hours to Be Awarded**

Internship credits are awarded on the basis of the following:

A. As a general rule, one (1) university credit hour will be earned per 50 hours of <u>diverse work tasks</u>. Please note that time alone does not determine credit hours awarded; rather, time, diversity of tasks, and types of tasks will be the criteria used in determining credit hours awarded.

- B. Grading is dependent on the respective College. Therefore, all prospective student interns should speak with the appropriate School of Business Internship Coordinator to clarify whether the internship is graded (A-F) or Pass/Fail.
- C. Also, the Internship qualifies as an elective and does NOT replace a <u>required</u> course or restricted elective within a major or minor.

At this meeting, appropriate internship sites and application strategies will be discussed. Check with the BHSU Internship Coordinator to determine if a position qualifies for an internship prior to applying. If necessary, the BHSU Internship Coordinator will contact potential sites and supervisors to ensure willingness to participate with internship requirements.

- 6. The student will take the internship card to the Registrar Office sign up and pay for the necessary fees for the credit hours to be awarded.
