

SPEARFISH LOCAL BADGE APPLICATION FORM

Spearfish Local is an initiative to bring together local producers, distributors, purchasers, and consumers of local food. The Badging Program allows you to identify local food or food products that you grow, make, or resell. This program will benefit the local economy while providing a way to inform healthier choices for our community and visitors. Once your application is received, we will stop back and give you your Spearfish Local badge so that everyone knows that you support local food! For more information, please visit our website at www.bhsu.edu/spearfishlocal or contact Debbie Liddick.

Please return the form to: Debbie Liddick, Black Hills State University, 1200 University St. Unit 9513, Spearfish, SD 57799 or Deborah.liddick@bhsu.edu (605) 642-6560.
