### **CHRISTINA KEATS IS APRIL TRIO STUDENT OF THE MONTH!**

Christina Keats is an English major from Gillette, Wyoming. Christina selected this major because she feels like there are several career opportunities in this field that she enjoys. She genuinely appreciates the professors at BHSU who make it a joy to be in the classroom. Christina was prompted to apply to the Student Support Services program because she knew she would need help staying on track, and TRIO has helped her stay organized and she is on her way to graduate within the next year. When asked about the challenges she has overcome in college, Christina stated, "I've certainly improved and overcome challenges I had with handling subjects I struggled with in high school such as science and math. I also overcame my father's passing last year during midterms, something I couldn't have done without the kindness and understanding of my professors and advisors." Christina's TRIO advisor, Nathan, shared, "Christina is a student who is driven to strive towards her degree, even at the hardest of times. She has presented herself, as a resilient person, who has continued to overcome her obstacles, and achieve her ambitions. After her graduation in Fall, she will do wonders with her degree, and will be able to create wonderful works of literature in the future. Christina is a student that has taken prime opportunity within her educational experience, and by doing so, has been able to become a stakeholder within her community, and surroundings." When asked what she values about the education she has received at BHSU, Christina shared, "If knowledge is like sand, never-ending and ever-flowing, then I would say I've gone from a few grains to a pocket of sand. The value can't be truly measured, it can't be counted, but as you gain more of it, you are able to do and experience more, Dale Gribble style." After graduation, Christina hopes to write books for a living. Congratulations, Christina!

The next step in the evaluation process involves vendor demonstrations and your feedback. The community presentations (open to all SDBOR students, faculty, and staff) are scheduled for April 27th and 28th from 9:00-10:00 AM MST.

- Desire2Learn: Wednesday, April 27th from 9:00-10:00 AM MST
- Instructure: Thursday, April 28th from 9:00-10:00 AM MST

The Zoom links will be shared in a news item posted on the main D2L homepage. These sessions will also be recorded if you are not able to attend the live event. Recording links will also be posted on the main D2L homepage.

After the vendor demonstrations, SDBOR community members are strongly encourage to provide feedback of the presentations via a survey. This link will also be available on the main D2L homepage.

For staff members who do not have access to D2L, please email Anne Stevens ([Anne.Stevens@bhsu.edu](mailto:Anne.Stevens@bhsu.edu)) for the April 27th and 28th Zoom live links and/or recordings at any time.
