

Spirit of BH Award

The Black Hills State University Alumni Association is sponsoring the 32nd annual ***Spirit of BH Award*** and is requesting nominations for this year's recipient. This award will be presented at the **Student Volunteer Awards Celebration on Thursday, April 13.**

On behalf of the alumni association, I am requesting your help to identify a student who has demonstrated an enthusiasm for learning while making significant contributions that reflect favorably on the university and larger community. The selection committee is made up of faculty, staff, and board members.

Guidelines

Purpose ~ this award honors a student who has made significant contributions that reflect favorably on the university and larger community.

1. Students must have completed a minimum of 60 semester hours and maintained a minimum grade point average of 2.5 prior to January of the current year.
2. Student(s) must have made a significant contribution to at least one campus organization and/or one community organization or project throughout his or her college career.

Faculty, staff, student organizations and members of the university community (alumni, etc.,) are encouraged to submit written nominations on the established guidelines. Nominations should give evidence of the student's involvement in making a difference at Black Hills State University. A one-page description of the student's involvement and achievements would be helpful to the committee in the selection process.
