The final exam for evening classes (4:00 p.m. on) will be scheduled during the regular meeting time during finals week.

If any student has a conflict in the schedule of finals or has more than three finals in one day and cannot resolve the conflict with the individual instructor, they should go to the office of the Vice President for Academic Affairs in Woodburn 218. No student is required to take more than three examinations in one day.

Faculty who elect to give consolidated or expanded exams will accommodate conflicts that occur as a result of this election. All finals will be held in the regular classroom unless notified otherwise by the Instructor. An Institutional Commitment of Adherence to this schedule has been made. Faculty will test on these days or schedule other meaningful activities for the class.
