

1. Click on your network icon and click on Eduroam.

2. Enter your University ID **username@usd.edu** (not your email address) and password and click "Join".

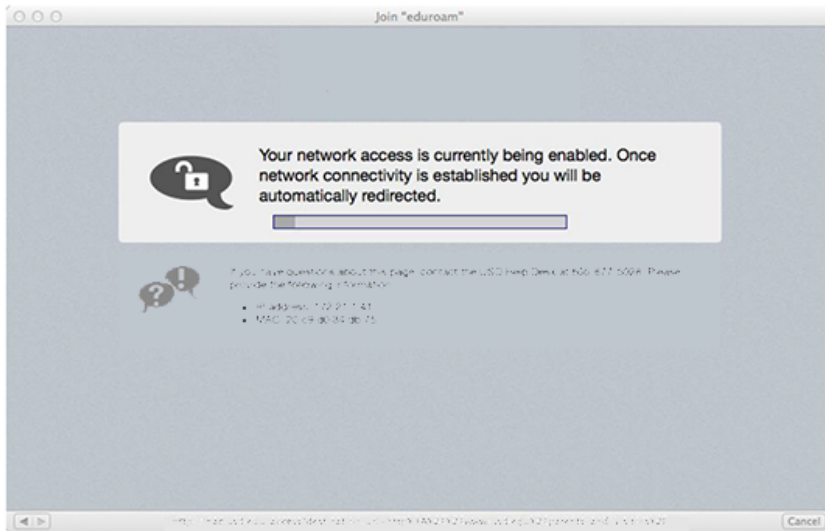

3. Click "Always Allow"

4. You may need to enter your computer's logon and password if it is set. Do so and click "Update Settings".

5. Open Safari.

6. This window will appear. Press "I Accept"

7. This window will now appear.

8. It should automatically connect you to your home page when it is done.
