1. Ensure that your wireless card is on.
2. From the Desktop, click on the wireless icon.

3. Click eduroam on the right.

4. Click "Connect"

5. Enter your University ID
   username@usd.edu and password
   and click "Join". (Not your email
   address)

6. You may receive this screen.
   Click Connect if you do.
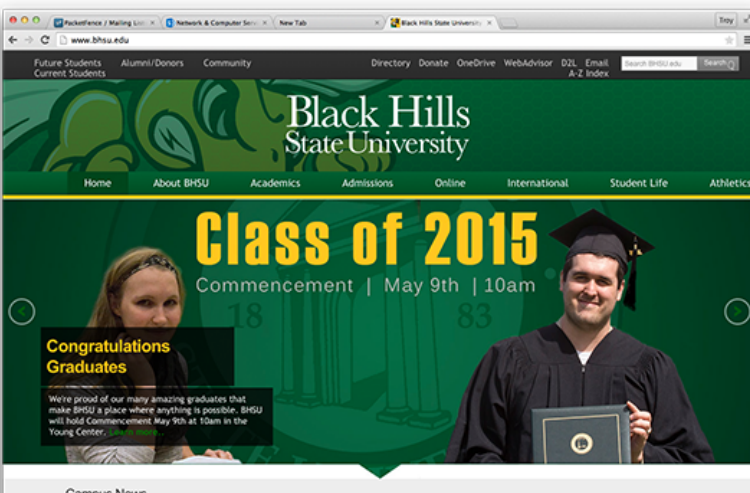

7. It will Verify and connect.

8. Windows 8 should open up a web browser for you. If it does not, go to the Desktop and open up your browser. You should be directed to this page.

9. Click "I Accept"

10. Your network connection is now being enabled.

11. Once your network access is granted, your browser home page will appear.
