DEVELOP YOUR PHOTOGRAPHY CAREER

The BFA in Photography at BHSU offers many opportunities to students interested in all aspects of the art form. The photography emphasis offers both basic and advanced black-and-white photography, color photography, digital imaging, photojournalism, and contemporary issues classes. For photography majors, other courses include basic and advanced studio lighting, the history of photography, and alternative silver and digital processes. The photography program at BHSU is also acclaimed for:

● AWARD WINNING AND INTERNATIONALLY RECOGNIZED FACULTY
  Steve Babbitt: Fine art, landscape, law, darkroom printing & techniques
  Jerry Rawlings: Advertising, studio, commercial, photojournalism
  Skott Chandler: Digital, Video, Photoshop & Lightroom, Inkjet printing

● THE FINEST PHOTOGRAPHY DARKROOM FACILITIES IN THE REGION

● STATE OF THE ART 3,000 SQ. FT. STUDIO WITH CYCLORAMA

● PHOTOGRAPHY CERTIFICATE AND MINOR OFFERED

JEREMIAH WATT

Jeremiah Watt creates visual stories and advertising for brands such as Patagonia, Sage Fly Rods, Outdoor Research, Eddie Bauer, and Yeti. As an internationally recognized adventure photographer, BHSU alum Watt credits the University’s photography program as, “the solid foundation that gave me a launching pad for my career.”

SHUTTERBUZZ CLUB

BHSU photography club, Shutterbuzz, focuses on promoting the appreciation for the art of photography while connecting with the community around us. Shutterbuzz activities range from photographic excursions to raising money to help feed the hungry in our community. All students at Black Hills State University are welcome and encouraged to join us whether you have a top of the line DSLR camera or a cell phone.
