

# Plan a career as a Physician Assistant

## Prepare For Your Future

Being a physician assistant can be a very rewarding career. To be able to enter a Physician Assistant program you must first complete a four-year bachelor's degree. BHSU offers innovative undergraduate research opportunities and faculty mentoring to help you achieve your goal of becoming a Physician Assistant. These courses will help you gain entry to the school of choice and help you prepare for the certification tests necessary to become a physician's assistant.

## Courses available as part of your bachelor's degree that will prepare you for your career goals:

- BIOL 151 - General Biology I & 151L Lab
