5. Courses in the new prefix

5.1. How many courses are proposed for the new prefix?¹

1

5.2. How many of the proposed new courses are in the x9x series?

6. Provide a brief rationale for the new prefix below:

This prefix will be used to designate courses designed specifically to satisfy the proposed civics graduation requirement. At this point, only one new course is in development, but other courses may be added to this prefix in the future.

¹ NOTE: AAC guidelines state a minimum of six courses must be attached to the new prefix request. Courses in the x9x series do not count toward the total of six. Exceptions require approval of the System Chief Academic Officer.

The System Chief Academic Officer has approved the exception to the requirement for six courses within a prefix.
