HATS OFF TO YOU

Class of 2023

A BLACK HILLS STATE UNIVERSITY DEGREE is defined by student success, academic excellence, innovation, and authenticity. Through these challenging times you have persevered. Today we celebrate your determination, your achievements, and your future. We are honored to call you BHSU alums.

President's Message

BHSU President
Dr. Laurie S. Nichols

Congratulations, graduates!

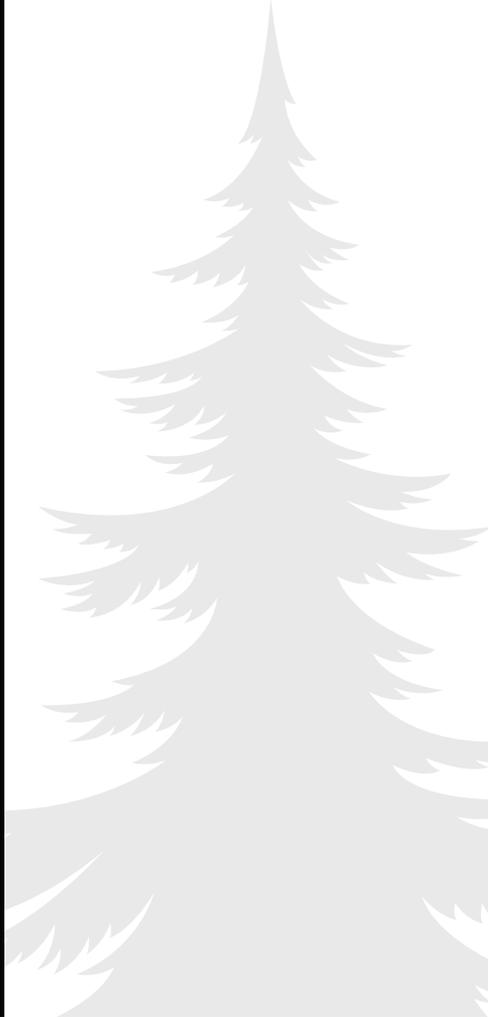

Today you make the transition from student to alumni. As you receive your diploma, I hope you feel a great sense of accomplishment and excitement. We are proud of you. Not only have you achieved much, but today you start a new chapter of life. I trust you will find---like I did---that your degree will open doors both professionally and personally. I encourage you to use your education wisely and take advantage of every opportunity that comes your way. If you do, there is no doubt that you will experience great success.

Please know that you will always be a Yellow Jacket; we want you to stay connected to BHSU. Come back often, keep in touch with friends and faculty, and offer your assistance to the next generation of Yellow Jackets who will follow you. A trait of a great university is an active and engaged alumni---be one!

Again, on behalf of the administration, faculty and staff of Black Hills State University, our most hearty congratulations. We can't wait to see all you accomplish!

Laurie S. Nichols

BLACK HILLS STATE UNIVERSITY

History of BHSU

As the only comprehensive university in western South Dakota, BHSU serves the entire region through outreach and service. BHSU has 3,425 students from 66 counties in South Dakota, 44 states, and 33 countries. Drawing upon our unique location and deep connection with the community, BHSU remains committed to ensuring academic excellence and an exceptional educational experience for all students.

The Dakota Territorial Legislature, meeting in 1881, passed an act establishing a Normal School in Spearfish. The school officially opened in 1883. Over the next two decades, the curriculum expanded with the purpose of training teachers for the public schools. By 1924 the college was authorized to adopt a four-year curriculum leading to a bachelor's degree in education. Spearfish Normal School became informally known as Black Hills Teachers College. In 1941 the Legislature formally approved the name change to a teachers college.

During World War II, the college served as a training center for the U.S. Air Force. In the years following, the college achieved accreditation from the North Central Association, expanded its curriculum, began offering graduate work, and began a longrange building program. On July 1, 1964, the South Dakota State Legislature officially changed the name to Black Hills State College.

Enrollment grew throughout the following decades and the college received national accreditation. Construction of a new library and expansion of the academic program offerings established the college's future direction. On July 1, 1989, the State Legislature authorized a bill granting university status. Today the school is known as Black Hills State University and offers over 60 master's, bachelor's and associate's degrees.

The campus consists of 123 acres and 23 main buildings. The most recent additions to campus are the Joy (Proctor) Krautschun Alumni-Foundation Welcome Center, Bordeaux Residence Hall and Schallenkamp Amphitheater.

BHSU continues to seek opportunities for innovation, education, and research in conjunction with the Sanford Lab, in the former Homestake Mine in Lead, S.D. The BHSU Underground Campus is used by students and faculty at the 4,850-foot level of Sanford Lab. The Sanford Science Education Center, on the BHSU campus, serves as a direct link to the Sanford Lab.

The University has a second location, BHSU-Rapid City, which offers daytime, evening, and weekend courses in the state's second-largest city. BHSU also offers classes to the service members and their families on site at Ellsworth Air Force Base in Box Elder.

THE UNIVERSITY MACE

The mace, which was commissioned during the University's Quasquicentennial year, was constructed by Lynn Fox, a carpenter at the University. The mace is made from the African mahogany wood salvaged from the bleachers in the former Cook Gymnasium that was built in 1953. Cook Gym, previously located south of the Library, was removed in 2003.

The BHSU Mace includes a metal inscription of the BHSU logo on either side. The top is a four-inch, flame-shaped glass finial with the green and gold colors of the University.

Historically, a mace is a symbol of authority dating from medieval times when knights carried them during processions with their kings. The mace later became a ceremonial symbol of leadership at academic processions.

THE PRESIDENT'S MEDALLION

The President's Medallion, first worn in 2014, preserves and honors our legacy while looking to the future. The medallion features the University's seal which includes the iconic Arches that have become synonymous with BHSU's determination and "can-do" spirit.

The Arches are all that remain of one of the first campus buildings, Normal Hall, originally built in 1887 and nearly destroyed by a fire in 1925. The former entrance to Normal Hall, the Arches remain intact and are now part of Ida Henton Park. This sandstone archway is a link to our past and a symbolic entrance to the future for students as they embark on educational experiences that forever change them and their path in the world.

The outside circle of the seal goes even further into history to honor the Lakota people. The circular movement of the Medicine Wheel is divided into four gradient colors to signify the four directions (West, North, East, and South) and also represent the stages of life, seasons of the year, and elements of nature. The inner circle showcases the name of the University in bold text on green hue, the University's official color. The founding year, 1883, is placed in the center of the seal.

The links comprising the neck chain for the bronze President's Medallion are engraved with the names of all previous BHSU presidents.

Commencement Designations

The history of academic dress reaches far back into the earliest days of the oldest universities in Europe.

In modern times, academic attire serves a ceremonial and symbolic purpose. The design and colors of gowns and hoods reveal the degrees and the degree-granting institutions.

The square black mortarboard cap, worn flat on the head with one corner facing the front, has a tassel which may be either black or of the color assigned to the field of study, except that doctors in all fields may elect to wear a tassel of gold threads. Some institutions have adopted the use of the biretta.

The standard color of the robe is black. The bachelor's gown is a simple, unornamented robe with long pointed sleeves. The master's gown is more elaborate and many styles have slits in the oblong sleeves. The doctor's robe includes velvet and is ornamented with three bars on the bell-shaped sleeves.

The hood is lined with the official color or colors of the university that conferred the degree. The hood is bound or edged with velvet in widths of two, three, and five inches for the bachelor's, master's and doctor's degrees, respectively. The color of the binding or edging indicates the subject area of the degree: brown for business; light blue for education; and golden yellow for science.

UNIVERSITY HONORS SCHOLAR

Students graduating from the University Honors Program have met the highest standards of achievement, enrichment, and service. Graduates complete one of three tracks: the Research Scholar, focusing on undergraduate research and creative scholarship; the University Scholar, a four-year comprehensive Honors program with an emphasis on undergraduate research and creative scholarship; and the International University Scholar, which requires a significant international experience in addition to the full curriculum. University Honors Scholars are recognized with a medallion on a green and gold ribbon.

EXPLANATION OF HONOR ORGANIZATION DESIGNATIONS

Certain honor organizations have approved designated accessories for wear with academic regalia as follows:

Alpha Kappa Delta _____ Sociology _____ Teal Honor Cord
Kappa Delta Pi _____ Education _____ Green and Purple Honor Cord
Beta Gamma Sigma _____ Business _____ Royal Blue and Gold Honor Cord
Phi Kappa Phi _____ All Disciplines _____ Blue and Gold Honor Cord
Psi Chi _____ Psychology _____ Blue and Gold Honor Cord
Military/Veteran _____ Red, White, and Blue Cord
Student Support Services TRIO _____ Gold and White Stole

Distinguished Faculty

Dr. Susan Dana

Dana has been at BHSU in the School of Business for 24 years. She teaches business law and has also instructed courses in statistics and human resource management. Dana earned her undergraduate degree in business administration from the University of Nebraska – Lincoln and an MBA and Juris Doctorate degree from the University of South Dakota. She is also a member of the South Dakota bar. At BHSU, Dana was awarded the College of Business and Natural Sciences Outstanding Teaching Award for the 2013-14 academic year as well as the College of Business and Natural Sciences Outstanding Service Award in both 2017-18 and 2021-22.

Dana serves as the School of Business internship coordinator and is the faculty advisor for Beta Gamma Sigma, the business academic honor society. She has served on Faculty Senate and is the Chair of the University Curriculum Committee. Recently, she was instrumental in establishing the new accounting club, Kicking Assets. This club was recently recognized as the Outstanding New Student Organization on campus. She also serves on the School of Business Student Engagement Committee, the Scholarship Committee, and the School of Business Curriculum Committee.

Susan and her husband, Brad, have three children. Two of her children are attending SDSU and her youngest is in high school.

Honorary Doctorate

Mr. Joe H. Floyd

Floyd was recently named a Cable TV Pioneer for his instrumental role in guiding the construction and purchase of cable systems in South Dakota, North Dakota, Nebraska, and Western Minnesota. At Midco, he was the Chief Operating Officer in charge of the diverse portfolio of holdings, including broadcast TV and radio, movie theatres, cable television, real estate, and many smaller businesses. He later became President & COO and led the entire business up until his retirement in 2001. The tremendous appreciation of the importance of education from Joe and his late wife, Elaine, has extended beyond their own family and led to a continuing commitment to finding ways to encourage students of all ages to advance their education. Joe and Elaine provided financial support for many educational programs including eight concurrent full-ride scholarships at BHSU.

Commencement Speaker

Mr. Justin Varland

Varland currently serves as a business advisor to Apple Inc. through his work with PwC after retiring from tech in 2020. A former Apple executive with two decades of sales leadership and business experience in global technology leading companies, Varland more than tripled Apple's Carrier Enterprise Business to over \$8B annually during his tenure. Previously the VP of Sales at Samsung Electronics, he also managed the mobility business with Sprint/Nextel and worked in Public Relations for the Green Bay Packers where he partnered closely with players, coaches and the media. Varland has been active on multiple advisory boards and committees including March of Dimes, Big Brothers Big Sisters, National Humane Society, Make a Wish, American Heart Association, Sanford Underground Research Facility, and Sigma Tau Gamma fraternity. Varland earned his bachelor's degree from BHSU in 2002.
