▶ **COMMUNICATION  
& MEDIA  
STUDY ABROAD**

## About Communication and Media Abroad

AIFS offers courses in multiple locations for communications and media studies majors. Some examples can include understanding the history of the BBC while in London, or working with Fashion journalists in Rome. In several cases what is listed is just a sample of what's available at the host university abroad. Internship opportunities are also available for academic credit. Internal Internships are an excellent way to gain practical experience and build your resume.

### Featured Fields

- Journalism
- Photojournalism
- Communications
- Public Relations

*AIFS Abroad also offers international internships related to these fields! Similar to study abroad programs, an international internship program allows you spend time abroad while gaining professional working experience. You may even be able to receive credit for an internship! If you're interested in learning more, visit [www.globalexperiences.com](http://www.globalexperiences.com).*

▶ **HISTORY AND  
GEOGRAPHY  
STUDY ABROAD**

## About History and Geography Abroad

There is no better way to study the history and geography of a place than actually getting to live in the location. Learning about the Renaissance in Florence or the geography of Barcelona while in Barcelona can help students conceptualize what they are learning in a way they haven't experienced before. Get a first-hand look at local landmarks, speak with experts, and live like the locals to bring history to life.

*AIFS Abroad also offers international internships related to these fields! Similar to study abroad programs, an international internship program allows you spend time abroad while gaining professional working experience. You may even be able to receive credit for an internship! If you're interested in learning more, visit [www.globalexperiences.com](http://www.globalexperiences.com).*
