Opportunity Details
Business, Company, Organization Name: Heartland Home Health, LLC
Company Description: We are a local company dedicated to keeping individuals safely in their homes. We provide skilled nursing and therapies, but also Personal care and homemaking cares.
Opportunity Offering: Part-time/Seasonal Job, Full-time job
Work Study Options:
Opportunity Title: CNA/Personal Care/Homemaker
The opportunity will take place in?: Spearfish, Belle Fourche, Sturgis
Start Date: 10/7/2019
End Date:
Weekly Hours: 10-32
Hourly Wage: 13.00
What does the opportunity provide?: Fulfillment. This job is an opportunity to experience many different avenues of care outside of a facility. It provides flexibility to go around school and weekend schedules. Hours can be as many or little as needed to still focus on school. Weekend hours are available, but not demanding or required, but are a great option for students to have many hours not compromising a weekly school schedule. "Sending caring professionals from our family to yours" is what we stand by for our patients. Much training is provided on site, so our employees grow with us to become better caregivers. Our team is strong and growing.
What are the characteristics of a qualified candidate?: Compassion, warm personality, honesty, and hard-working. An individual who enjoys making others comfortable and happy. This individual would be a part of a work family who supports each other, and finds much laughter and smiles in their work.
What skills are needed to be successful?: Outgoing personality, Great communication skills, ability to work hard, and get along with many different personalities. Must have compassion to serve others. Good Eye to detail, and caring about others’ well-being.
Application Process:
A completed Application and references turned in via email, or handed in at the office. A clean background check, proof of insurance, and an interview.
Application Deadline: 1/31/2020
