Opportunity Details
Business, Company, Organization Name: Fremont Co. School DIst. #25
Company Description: We have mid-year vacancies for a High School Agriculture Teacher. We are hoping that BHSU may have some December graduates that may be interested in this vacancy.

We are located in beautiful, central Wyoming in Riverton. Our town (population 10,600+) is surrounded by many, many outdoor year-round activities. This is a good place to be! We have easy access to several mountain ranges and bodies of water for all kinds of recreational opportunities. You can be in the mountains or at one of several lakes in about 30 minutes. Our district and staff are passionate about the education of ALL students. We serve a diverse population of 2400 students with approximately 550 staff members. Our district offers a wide range of Professional Development opportunities and an excellent benefit package.

We collect all of our applications electronically at:
https://www.applitrack.com/fremontcountysd/onlineapp/

Please go to that link and complete the application process so we can consider you for our position(s).
Please contact me if you have any questions or issues.
