Opportunity Details
Business, Company, Organization Name: South Dakota Discovery Center
Company Description: The South Dakota Discovery Center is a hands-on science center. We serve central South Dakota and beyond through our exhibit hall and the entire state through our outreach programs.
Opportunity Offering: Full-time job
Work Study Options:
Opportunity Title: Museum Educator
The opportunity will take place in?: Pierre, SD
Start Date:
End Date:
Weekly Hours: 25-40
Hourly Wage: $15
What does the opportunity provide?:
Paid time off. Health insurance option for full time.
What are the characteristics of a qualified candidate?:
The Museum Educator is responsible for implementing programs of the SD Discovery Center. This position reports to the Education Director.

General Duties: Present SD Discovery Center outreach programs to schools statewide. Plan and present in-house and local STEM programs year-round. As part of the SD Discovery Center staff, complete other tasks as assigned including staffing the front desk to assure quality products to our customers and funders.

Position Standards: The Museum Educator must have a bachelor’s degree in education or a science or equivalent experience. The position requires excellent communication skills both verbal and written and the ability to teach using hands-on, inquiry based methods. The ideal candidate is flexible, responsive, and self motivated. The ability to use the computer and internet is required. Familiarity with Google Tools a plus. A valid driver’s license and safe driving record are required. Some travel, overnight, and occasional weekends. The prospective employee must consent to a criminal background check prior to signing a contract.

What skills are needed to be successful?:
