## Applied Health Sciences/Pre-Nursing Advising Guide

Black Hills State University and University of South Dakota are excited to offer a collaborative transfer program for students interested in pursuing a nursing degree. Students may take the first two years of their curriculum as BHSU Applied Health Sciences students before transferring to the USD Bachelor of Science in Nursing program.

Students **must** graduate from the BHSU Applied Health Sciences program for courses to be applied toward the USD Bachelor of Science in Nursing program as listed below.
