

BHSU-SDSU Applied Health Sciences/Pre-Nursing Advising Guide

Black Hills State University and South Dakota State University are excited to offer a collaborative transfer program for students interested in pursuing a nursing degree. Students who successfully complete the Associate Degree in Applied Health Science, or are on track to complete, will have met the prerequisite academic requirements for matriculation into the SDSU Bachelor of Science in Nursing program and are guaranteed admission at the Rapid City site, provided all other admission requirements are met.

Students should consult with SDSU Nursing starting their second semester about admission requirements and deadlines for the Bachelor of Science in Nursing application. More information can be found at BHSU.edu/WRHSC.

Semester 1	SDSU Requirement	BHSU Course	BHSU Course Title	Credits
	BIOL 221/L or BIOL 325/L	BIOL 121/L or BIOL 123/L	Basic Anatomy/Lab Basic Physiology/Lab	3-1 3-1
	Gen. Ed. Goal 1*	ENGL 101*	Composition I	3
